OUR VISION & OUR WAY

OUR VISION

**LASTING TRANSFORMATION THROUGH THE LOVE OF GOD FOR
THE MOST VULNERABLE UNCHURCHED CHILDREN, THEIR
FAMILIES AND COMMUNITIES IN LEEDS**

FOR THE GENERATIONS

Since our launch in March 2000, we have taken a unique tried and tested approach. We work with the children in every area of their lives, in their communities, homes and schools. We currently work with 1250+ children and their families in the most deprived areas across Leeds each week.

We believe that the children are the community changers and nation shakers. Our job is to help them to shine.

We work in partnership across the church, the city and beyond. We are passionate about seeing those with the least supported with the very best. Together we are mobilizing generations of unreached children to find out who they are in Christ, and what they are living for. EPH 1:11-12 (MSG)

OUR WAY IS

LOVE
LOVE
LOVE

EVERYTHING WE DO IS ABOUT A LIVING ENCOUNTER
WITH GOD'S PRESENCE AND LOVE

WE ARE ALL ABOUT RELATIONSHIPS, FAMILY &
BELONGING

THROUGH LIVING & BEING ALONGSIDE CHILDREN AND
FAMILIES IN THEIR COMMUNITIES, WHERE THEY ARE AT.
THROUGH A COMMITTED AND FAITHFUL NETWORK,
WHO PURSUE THIS VISION LONG-TERM, WITH
TRANSPARENCY, DEDICATION AND INTEGRITY.

OUR IMPACT

FOR THE GENERATIONS

We aim to do and to view things from the inside out, not the outside in. After 20 years, change is coming from within our communities. With this legacy comes great opportunity. We believe there is much more to be seen.

26,000

CHILDREN REACHED

Over two generations- through regular sustained work in schools, in communities, on streets, in homes and in Kidz Klubs.

600,00

HOME VISITS

Through a team dedicated for the generations & the long term. Some of our team have visited the same streets for 15+ years. A legacy of trust has been established.

2ND

GENERATION

2nd generation children are attending, we have adult team members who have been with us since they were children, a growing number of children becoming young leaders and mums joining the team.

OUR NEW MODEL

FOR THE GENERATIONS

CENTRAL KLUB

MONDAY NIGHTS FOR EVERY CHILD

We have got space for over 1000 children. Over the next 10 years, in partnership with churches we want to see more buses going out to reach as many unchurched children together as we can. Reaching the children through a relevant, fun and action packed programme, where they can hear the good news of Jesus and bring their friends. In time we plan to also run two age appropriate sessions concurrently.

HOME VISITS FOR EVERY CHILD

This is the backbone of all we do. As the work scales up, so will the home visiting. We want to be a regular presence in the home of every child reached.

HUB KLUBS

IN WALKING DISTANCE OF EVERY CHILD

We are working to see these in every community we cover in the next 10 years (currently running in 4 for areas for up to 135 children). As new buses are added on Mondays, Hub Klubs will also launch on the ground. Small age appropriate discipleship groups, where children can take deeper what they have heard on Monday, meet with local church family, plan and run their own mission activates every half term.

SCHOOLS WORK FOR EVERY CHILD

In the areas we cover, we support the children through assemblies in 34 schools. Over the next 10 years we want to reach more than ever before, scaling up to include lunchtime clubs, lessons, bespoke support, mentoring, more schools and prayer spaces.

TAKING THE SUPPORT DEEPER

FOR THE GENERATIONS

INTERGENERATIONAL TEAM

LOVED, FIRED UP & RESOURCED

Our amazing team are the frontline, boots on the ground generation changers. Nothing happens without prayer and this dedicated team of people who support the children. In the next 10 years we are working to resource more volunteers than ever before to reach the city. We are committed to supporting our volunteer team to 'be the difference' for the children.

CHILDRENS CHAMPIONS

FOR EVERY CHILD WHO NEEDS EXTRA SUPPORT

We are working to have a Childrens Champion in place for every area we cover in the next 10 years. Our Children's Champions offer dedicated, bespoke support for the most vulnerable children and their families. Working alongside agencies and in every area of the child's life, at home at school and in the community.

COMMUNITY PASTORS

FOR EVERY AREA WE COVER

To achieve depth as well as reach, we are working to see Community Pastors in place for every area we cover in the next 10 years. We currently have three on our staff team. Community Pastors work in a locality with our church partners, supporting the volunteer team, captaining the bus on Mondays, running the local Hub Klub's and going into the Schools.

MOBILIZING MISSION

DEEPER SUPPORT THROUGH MORE MISSIONAL BOOTS ON THE GROUND

Alongside partners and churches we are working to mobilize more boots on the ground in our communities than ever before. This is wider than Kidz Klub. We want to encourage the flow of resources and people living missionally into our most marginalised communities .

As part of this we are developing a training year to move households of full time Kidz Klub missionaries into Kidz Klub communities.

We are also working with churches across the country and internationally training them how to run Kidz Klubs.

FOR THE CITY

MOBILIZING A GENERATION

FOR THE GENERATIONS

ACTIVATES CHILDREN ARE THE CHANGE

The children are the community changers and nation shakers. That's why we work to mobilize the children who come to Hub Klubs to run their own 'activate' mission events every half term. During the weekly Hub Klubs the children discuss over their 'world changers tea party' which mission activities they want to organise. We then help them to make it happen, bringing in the local churches and often their families too. With the growth of Hub Klubs in every area we currently cover and beyond, the children will be running around 65 mission activates across Leeds every year.

CHURCH FAMILY LINKING THE CHILDREN WITH CHURCH

We are all about the church linking with the children. We want all of our children to become lifelong followers of Jesus and part of church family. Our new model is intentionally shaped around creating many connection points with church family to foster strong relationships and achieve this vision together.

YOUNG LEADERS BEYOND 11 YRS

We work with churches, SPACE and partners to transition the young people into Christian groups once they become too old for Kidz Klub. We also have a dedicated leadership training program to mobilize our 11-18 yrs to become excellent role models in faith to the children within Kidz Klub. We plan to significantly scale this up in the next 10 years.
